Jessica Graff, Photographer, and Rachel Savokinas, Creative Memories Consultant, have partnered to offer Deer Path families the opportunity to purchase a professionally created Memory Album this year!

What a great commemorative gift for your child who is graduating Kindergarten, or as a celebration of that first year in Pre-School. These also make special gifts for any family member, as they will feature a sneak peak into the classroom.

A sample will be on display for viewing and ordering will begin at the Spring Parent Conferences March 31 and April 1.

Books will be delivered in June.
