

Grandparents' Day

Friday, March 19th, 10 to 11:15 am

We recognize how important grandparents are in the lives of our families. Therefore we have set aside a special day where our children's grandparents can come and visit the school.

Program:

As the grandparents arrive, they will be greeted and refreshments will be served. Next, there will be a brief welcome program by the children, after which the grandparents will be able to come into the classrooms and see a bit of how Montessori works.

Guidelines:

Please call to reserve space for your families' grandparents by Friday, March 12th.

Stepping Stones parents: If your child does not usually attend on Fridays and is having a grandparent guest, the child is welcomed to arrive at school that day with their grandparent at 10 am. It is imperative that you let the office know that when you reserve space for the grandparent(s), so that we can make the necessary preparations.
