

# Deer Path Visitors' Days 2010

Visitors' Days will be held during the last week of February. A specific day is assigned to each class in order to avoid overcrowding in the classrooms and hallways. We do this so that our children and their guests can work comfortably in the space available.

**Room 101 and Room 103 will have their Visitors' Day on Thursday, February 25rd.** This includes children who have the teaching team of Mrs. Sakowski and Mrs. Ellis as well as those who have the team of Mrs. Blasdel, Mrs. Martinson, Mrs. Francisco and Mrs. Nilsson.

**Room 102 and Room 105 will have their Visitors' Day on Tuesday, February 23rd.** This includes those children who have the teaching teams of Mrs. Senadira and Mrs. Wichowski as well as those who have the team of Mrs. Sharo, Mrs. Van Glahn, Mrs. Anelli, Mrs. Johnson, and Mrs. Morelli.

*You are invited to return to school anytime between 4 and 6 pm for a short visit with your child. Please come prepared to receive a lesson that your child has prepared for you.*

***PLEASE RSVP by Wednesday, Feb. 17th***

Please note: A special Grandparents' Day will be held at 10 am Fri., Mar. 19th. The format of this day is designed to be more accommodating to the needs of our grandparents. Watch for more details about this event.

## **Guests and Guidelines: Please Note Changes for 2010**

- ⇒ Any parents, caregivers or other adults important in your child's life may visit. *(Remember, it's probably best for grandparents to come in March. We like to do something special for them.)*
- ⇒ The child is limited to one or two guests. This is a working time with the child, not just an observation. Be prepared to be on the floor if necessary.
- ⇒ Children must be accompanied by their adult guest at all times while they are in the building. This includes classrooms, hallways and bathroom areas.
- ⇒ Please note the day of your child's visit as there is not enough room for the whole school to visit on the same day. Only the classrooms listed will be open on that day.
- ⇒ Please call or email the school right away if you need a sibling to use the extended care program as there are only limited spaces available. Remember, this can only be used for enrolled students.
